1. Daily schedule and boarding priority

Please follow the published daily timetable and arrive at your designated stop at least 10 minutes before departure. Buses will leave at their scheduled times and will not wait for late passengers.

Morning boarding order: Officials first; Athletes/Competitors second; Spectators, Team Management and other passengers on subsequent services, subject to capacity.

Return boarding order: Athletes/Competitors first; Officials following their end-of-day debriefings; other passengers subject to capacity.

Follow transport coordinators' instructions. Boarding priority does not guarantee a seat on an earlier or unallocated service. Operating times, particularly return trips, may change according to the competition programme and operational conditions.

2. Designated stops only

Buses will collect and drop off passengers ONLY at the designated stops on the published Beach Road (Marine Drive) shuttle route. They will not deviate from the route or make unscheduled hotel collections under any circumstances.

Passengers must make their own way to the designated stops. If your accommodation is too far from Beach Road (Marine Drive), please consider Uber, Bolt or inDrive (downloadable apps on your mobile devices), or arrange a private transfer with Blunden Buses through Turners.

3. Bus passes – compulsory

Collect your credit-card-sized bus pass from the Turners Desk in the Event Tent at King's Beach during registration. Show your pass each time you board. Passes are non-transferable and may not be shared. Passengers without a valid pass may be refused boarding.

4. Saturday 28 November – Officials only

Transport on 28 November is reserved exclusively for Officials attending the scheduled briefing at Newton Park Swimming Pool. No general athlete or spectator shuttle will operate that day.

5. Assistance and updates

For queries & emergencies – Turners Helplines:

Accommodation:	083 263 3657

DESIGNATED SHUTTLE ROUTE

Please identify your nearest numbered collection point on the official route map below. The timetable for each day will be issued separately and may be updated.

Please note this map is not to scale and should not be considered to be a location map – it is merely to show the pick up points along Beach Road

DAILY DISPATCH TIMETABLE

All times are FIRST beachfront collection times, not individual stop times. Arrival and next-available times are estimates. Route-stop boarding volumes, reporting deadlines and return journeys have not been validated. Confirm with Blunden before issuing a passenger timetable.

Boarding priority: Officials first, then Athletes on the same bus where their destination and reporting deadlines permit.

A bus is not reserved exclusively for Officials unless operationally necessary.
